RADAR Seminar

We are offering a hands on radar seminar aboard a 48' power boat at South Shore Yacht Club.

This seminar covers how radar functions, radar selection, and operation of the radar under various conditions including setting of controls, display interpretation, basic navigation, and collision avoidance using radar

The seminar is tentatively scheduled for Thursday night August 22 at 6:00 pm.

If you are interested in this seminar please contact Mike Wiedel at 414.353.8240 or mwiedel@earthlink.net.
