For this year the Milwaukee Sail and Power Squadron Executive Committee has voted to have the International Ship Masters Association Lodge 3 Scholarship Fund as our designated charitable organization.

One of the goals of the International Ship Masters' Association is to encourage and support advancement within and entry into the maritime field. As such the Chicago Lodge of ISMA is offering a \$500.00 scholarship to any qualifying individual in support of this goal. The award is to be applied towards tuition at the Great Lakes Maritime Academy at Traverse City, Michigan or to other committee approved courses to gain or upgrade a Coast Guard issued Merchant Marine License, Rating or Endorsement.

Since 95 percent of world trade moves by ship at one point or another, it serves us all to keep these vessels crewed with the best talent we can attract. The Executive Committee hopes you will support this worthwhile cause with your generous tax deductible contribution to this organization that serves to educate our future merchant mariners.
