

## MILWAUKEE SAIL AND POWER SQUADRON

A unit of

**UNITED STATES POWER SQUADRONS®**

**SAIL AND POWER BOATING**

Dear New Member:

Welcome to Milwaukee Sail and Power Squadron. Your new membership will avail you many boating related opportunities, the first and generally foremost of which is education. Our primary purpose is boating education and I hope you will take advantage of the many classes offered. You can learn about these opportunities by contacting the Squadron Education Officer, Mike Wiedel: [educational@milwaukeepowersquadron.org](mailto:educational@milwaukeepowersquadron.org), 414-353-8240, or visit our website at <http://www.milwaukeepowersquadron.org>.

In addition to education, the Milwaukee Sail and Power Squadron offers regularly scheduled monthly dinner meetings, the 3<sup>rd</sup> Tuesday of every month. These meetings feature a program of general interest to the membership. Your first dinner meeting is complimentary. The Squadron also organizes several rendezvous for the members to get together at sites accessible by boat or car. Much of my own boating education has come from the interaction with other experienced boaters in the Squadron at these gatherings.

You will receive the bi-monthly USPS publication *THE ENSIGN* and our Squadron publications, *Deck Watch* and *Deck Watch Updater*. Our affiliation with Boat U.S. offers you a discounted membership in Boat U.S. We regularly interface with local marine equipment providers and other local boating groups as a resource for information and equipment.

I hope you will enjoy as much as I do the many opportunities Milwaukee Sail and Power Squadron provides. If you have any questions regarding your new membership, don't hesitate to call me at 414.353.8240 or contact me at: [commander@milwaukeepowersquadron.org](mailto:commander@milwaukeepowersquadron.org)

Sincerely yours,

Kim Rutkowski  
Commander
